

## **STUDY 6: John 5:1-30 The Giver of Life**

*What would you say to someone who says:  
"I know Jesus claims to give life after you die but so do many other religions"?*

### **Read John 5:1-18**

1. Why do think the Jews find Jesus actions of healing the man at the pool offensive? What does this healing show us about Jesus?

### **Read John 5:19-30**

2. In verses 19-23 Jesus implies that the healing is only a foretaste of two far greater things. What are they and why are they so much better?
3. What does verse 24 teach us about the right response to Jesus and the implications of it?
4. What do vv.19-30 teach us about the Father and the Son? About those who trust Jesus and those who don't?

### **APPLICATION – How does it change us?**

5. John 5 has both good and bad news for our friend and family who don't know Jesus. How should these things change the way we talk to them about Christian things?
6. Verse 24 tells us that we have crossed from death to life in Jesus. How does this change the way we see our lives each day?
7. How should we be praying for each other in light of this passage?
